

USTAR 8th Grade Math Summer Course Offerings

Registration begins **March 12 at 8:00 am and ends May 25 at 5:00 pm**. To register for a class go to <http://secondarymath.jordandistrict.org/ustar/classes-for-students-entering-8th-grade/>.

For all USTAR courses:

- Students are required to be on time and attend all classes. Students who accumulate more than 12 hours of tardies or absences will receive a NC or no credit (with a doctor's note) or fail (without a note). The exception will be classes that are taught on a per quarter basis. Students may miss up to 3 hours per quarter without loss of credit in those courses
- All classes will receive weekly progress reports and one final grade that is added in the fall quarter.
- Students may only take one USTAR summer core class.
- Students may attend classes at any school but transportation is not available.
- **A class may be cancelled if a minimum of 15 students do not register.**

8th Grade Math

This course is for 7th graders entering 8th grade who would like to move into Secondary Math 1 as 8th graders. The course will cover the entire 8th grade content and students will take the 8th grade SAGE exam at the end of the course. Topics will include: the number system, expressions and equations, functions, geometry, and bivariate data.
